Sure did! I was so glad you created that email. We decided to go with:
-- 2 postings (ammonia and TMBs)
-- 2 public meetings (May and June, what includes RDX, TBA, and BaP)
-- IRIS multi-year agenda

Dahnish and Vicki offered to look at these, and I'll send to Mary before Friday (new deadline). I don't want you working , but let me know if something else should be included.

Sue

Hi Sue – Attached to this email are the “accomplishment” contributions I have developed over the past 3+ years. There is a lot of text on the public meetings and engagement that you can use. If you want numbers of participants for our meetings/workshops this FY, I can provide you with that information pretty easily.

Let me know if you need any help!
